

WHICH COMMANDMENTS SHOULD I OBEY?

HOW TO WALK DAILY
IN THE COMMANDMENTS

A 365 DAILY SEARCH FOR
HIS COMMANDMENTS IN SCRIPTURE

DEDICATION

THIS book is dedicated to my children who are a gift from Heaven: Jennifer, Jessica, Jason, Jordan, Justin, and also the children that have been added to me: Josh, Michael, Joshua, Chloe, Madelyn, and Tobey Samuel. I feel blessed everyday to have been given such treasures.

ACKNOWLEDGEMENTS

I want to personally thank my husband, William Sanford, for his constant encouragement. Without his support and loving devotion this book would have not been published.

Which Commandments Should I Obey?

HAVE YOU EVER WONDERED, “WHAT COMMANDMENTS SHOULD I OBEY?”

I have wondered this myself as I read what Yahshua said in John 14:15 “If you love me, you will keep my commandments.” What commandments was He talking about? The ones he taught his disciples? The 10 commandments? I often read the 10 commandments and wondered if I was keeping all the commandments. One day I asked myself, “How do I keep the Sabbath day holy? What does this really mean?” I began to read the scriptures to find the answer. I wanted to keep His commandments, so I could obey Him and show Him how much I loved Him. His Word tells us in Jeremiah 29:13, “You will seek Me and find Me when you search for Me with all your heart.” I asked Father to show me His commandments, so I would not be blinded, but live in the Light of His Presence. This led me on my journey to discover how to keep Sabbath and all the other commandments that Father has given us. It is a glorious journey! I found that keeping His Commandments brought me life. His Ways had been hidden from me, because I was following the traditions of men instead of searching for Truth in His Word. There it was right in my hands, but I never saw it until He opened my eyes to the Truth. Finding Truth is like finding “a pearl of great price.” Gathering all His treasures from His Word will bring you tremendous joy and contentment. You will know you are living a life that really shows that you do love Him. Father wants His people to know what he desires from them. Deut. 30:11 tells us that these commandments are “not too hard for you to keep”, but we have to know what they are before we can keep them. Thus

A 365 Daily Search

I studied the commandments, and I wrote down what I felt Father was saying to me about each commandment that I found. There are other commandments, but I used the commandments more relevant to my life. I realized that these words could stir any of His covenant people, especially the exiles of the House of Israel that have been scattered across the nations. So many of those in exile do not even know what commandments to obey. I wanted to share the Truth that I had found with others, so they would also know the joy of keeping the commandments. As you begin your search for Truth, this book can be the beginning of your journey. Each day has one commandment for you to meditate on for that day and night. As you meditate on the commandment, search your heart to find evidence that you are obeying that commandment. Your life will be changed. We have this promise in His Word: Joshua 1:8 “Do not let this Book of the Law depart from your mouth; meditate on it day and night, so that you may be careful to do everything written in it. Then you will be prosperous and successful.”

*I used the Hebrew names for God (Elohim) and the Lord (YHUH) and Jesus (Yahshua) to honor our Hebrew heritage. Jesus’ disciples called him Yahshua, so I want to also call him by this name also. The scribes of the Scriptures took out YHUH’s memorial name and replaced it with “the Lord”, so no one would profane His Name. I want to honor His Name and use it correctly as He intended for us to use it.

Which Commandments Should I Obey?

Contents

You should pray for strength to stand in these Last Days.	378
You should endure patiently until the end.	379
You should not be lukewarm.	380
You should not be a coward but an overcomer.	381
You should wash your robe and prepare for Yahshua's coming.	382

Which Commandments Should I Obey?

1

You should begin your day at sunset.

Gen 1:3 And Elohim (God) said, “Let there be light,” and there was light. 4 Elohim saw that the light was good, and he separated the light from the darkness. 5 Elohim called the light “day,” and the darkness he called “night.” And there was evening, and there was morning--the first day.

My beloved, I gave you Light, so your planet would grow and you would not be in total darkness. I divided the Light with the moon, so you would have a time of darkness to sleep and rest your body and heal, so you would not be sick or tired. When I divided the Light, I set up days and nights and seasons and months. I gave you a day that starts at evening and lasts until the next evening. Whenever the sun sets, then a new day begins. The Evil One took away My divine calendar and set up his own calendar focusing on the sun. He has the day beginning when the sun rises and ends when it is dark. The Evil One has perverted Truth and taken away My perfect times that I have set up. His goal is to destroy all Truth in My Words, so he can deceive the nations. Think of how he has deceived man and how he is taking all Truth away. Think of his ways and how he wants to take all My Ways from you, so you do not even know Me at all. Only My chosen ones will cling to My Words and My Ways. Only My chosen ones will not bend, but stay firm as the Evil One challenges them. The days grow dark. Search My Words for Truth-not the traditions of men that the Evil One has perverted, but the Truth from My Words. If you will cling to Me and My Words, I will bring Truth to your house and blessings to you and your family.

2

Man should take a wife, be fruitful and multiply.

Gen 1:26 Then Elohim said, “Let us make man in our image, in our likeness, and let them rule over the fish of the sea and the birds of the air, over the livestock, over all the earth, and over all the creatures that move along the ground.” **27** So Elohim created man in his own image, in the image of Elohim he created him; male and female he created them. **28** Elohim blessed them and said to them, “Be fruitful and increase in number; fill the earth and subdue it.

My beloved, I made man and I told him to be fruitful-to have children-and may the earth be filled with your children. The Evil One did not like that I made man in My image as My chosen child to inherit My kingdom in the last days of Earth. He made a plan to deceive man and cause him to sin. He started in the garden and deceived Eve and Adam. He continues to this day to lie to My children and steal their blessings by deceiving them and making them sin. Be on guard! Do not allow him to deceive you by telling you not to have children or to abort a child or to cut off your sperm, so you can no longer have any more children. He will try to keep you from bearing fruits of righteousness-your children. He tries to stop you from being born, so less Light will come to the world and expose the Truth. He tries to keep the Truth hidden, so you are blind and walk in darkness. You do not know Me unless you find the Truth, because I AM Truth. I do love you, and if you search for Me you will find Me and find Truth. You must not walk in darkness while on this planet, but you must walk in Light and be surrounded by Me. I will guide you into blessings and deliver you from the curses of your ancestors who sinned. Awake! Arise and be free.

Which Commandments Should I Obey?

You should remember the Shabbat day to keep it set apart.

Gen 2:2 By the seventh day Elohim had finished the work he had been doing; so on the seventh day he rested from all his work. 3 And Elohim blessed the seventh day and made it sacred, because on it he rested from all the work of creating that he had done. Ex 20:8 Remember the Sabbath day to set it apart for Elohim.

My beloved, I created all the heavens and earth and it was good-perfect-complete. I set aside the seventh day as a day for man to rest from this work and enjoy the creation I had made for him. His body needs rest, and he must heal during his rest. He becomes strong when he takes time to rest. The Evil One wants to take away this day of rest, but do not allow him to do this. Instead fight hard to keep your Sabbath rest and abide in Me during this time. Some of you say, "My job demands that I work on the Sabbath," then find a new job. Call on My name and I will help you find a new job. Teach your children to rest on Sabbath. Make Sabbath a family day where all the children stay at home and love each other and draw close to each other as a family. The members of a family make each other strong or destroy the unity of the family. Teach your children to love each other and be friends to each other. Do not compare your children to each other, but love each of them equally. Only then you will have a loving family, and you will dwell in peace. Draw together as one and be as one-praying together over every decision, so you will make the right choices as led by My Spirit. Blessings will come to your house, and your house will be a blessing to others. Rejoice in the Sabbath, and remember that it is set apart, so do not sin against it.

4

Man should take a Wife by the Sacrament of Marriage.

Gen 2:24 For this reason a man will leave his father and mother and be united to his wife, and they will become one flesh. Matt 19:5 and Yahshua said, ‘For this cause a man shall leave his father and mother, and shall cleave to his wife; and the two shall become one flesh’? 6 “Consequently they are no longer two, but one flesh. What therefore Elohim has joined together let no man separate.”

My beloved, I made man and he was alone in the garden. He cared for the garden, but he did not have a help mate. I put him to sleep and divided him into two unique beings that are as one flesh when united in marriage. I found it to be good in My sight-the same being yet different and complete. They communicated with each other and helped each other, and I delighted in them. I wanted all of My beings to have such a help mate, so I made them able to reproduce and have children and this also delighted Me. I want you to find joy with a mate and marry and have children. Every man should choose a wife and go to her father’s house and ask her father for permission to have his daughter in marriage. It is hard for a man to give up his daughter, but he will give her up only if the man can prove to him that he can care for this daughter and treat her with respect. Once he gives his permission to the man, the man must go prepare a place for the daughter. A man should leave his mother and father and prepare his own house. This does not mean he has to move far away, but only to another house which could be on the same land or in the same town or wherever I lead him to go. A man must cherish his wife and protect her and love her, so she will not miss her father’s house where she was well cared for by her father and mother. A man must consider her feelings and not be harsh with her. Man should be kind and loving like I AM kind and loving, and then the wife will cling to him and they will be as one flesh.

Which Commandments Should I Obey?

5

You should circumcise your male child on the eighth day.

Gen 17:10 Every male among you shall be circumcised. 11 You are to undergo circumcision, and it will be the sign of the covenant between Me and you. 12 For the generations to come every male among you who is eight days old must be circumcised, including those born in your household or bought with money from a foreigner--those who are not your offspring.

My beloved, I made a covenant with Abraham. The sign of those who keep the covenant is circumcision when the male child is eight days old. There is a reason that I chose this sign. I chose it to protect My People against disease, because it kept them clean and was easier for men to cleanse themselves. I also chose the sign, because the pagan gods worshipped the penis as a symbol of fertility. I wanted My people to worship only Me and look to Me to give them life-not a pagan god. If a man marks his penis as a sign between him and Me, then he clings to Me and worships only Me and no other gods. I will bless him with many children. There is a release of blood-a sacrifice to Me, and a mark of the covenant between us. Sealing of any covenant should be done with blood. If you say that you were a baby and do not even remember this covenant, it was your parents who chose for you to walk in My covenant. Each man must choose to walk in My covenant. Abraham was an older man when he made his covenant with Me. You may not have been circumcised as a child, but you may have to choose for yourself as a man to make the sacrifice, so you can join in My covenant. You may think that since your heart is circumcised you do not have to have an outer sign, but I want all men who love Me to have the sign of My covenant on them. Listen for My voice and I will guide you. You may say that you do not have the money for circumcision, but if you call on My name, I will provide the money for you. You must obey My will for you.

6

You should bury your dead. You should bury the guilty man on the day of his execution.

Gen 23:3 Then Abraham rose from beside his dead wife and spoke to the Hittites. He said, 4 “I am an alien and a stranger among you. Sell Me some property for a burial site here so I can bury my dead.” **Deut. 21:22** If a man guilty of a capital offense is put to death and his body is hung on a tree, 23 you must not leave his body on the tree overnight. Be sure to bury him that same day, because anyone who is hung on a tree is under Elohim’s curse. You must not desecrate the land YHUH (the Lord) your Elohim (God) is giving you as an inheritance.

My beloved, I asked My children to be covered with dirt after they have died. I wanted their bodies to go back to the dirt from which they came. I do not want you to burn your body, and then bury it as the pagans do. I want you to do as your ancestors did. I want you to bury the dead body. You do not have to have a family burial site, but you can if you want. It may not be convenient for all family members to be buried on the same plot of land. You must think of what is most important. One day you will all be together again in My Kingdom if you have followed My ways and been obedient to My laws. If you sentence a person to hanging as his punishment for murdering someone, then take the body down before sunset and bury him. You have already had the family suffer from his death, so do not humiliate the family also. The man was wicked, but the rest of the family may not be sinful. If you execute a person with a weapon, then bury the body as soon as possible. Do not keep the body laying out on display, but cover the body with dirt. The pagans leave their dead out on display as a sign of victory, but this is not My way. Try to walk in My ways, because they are loving and kind and fair to others. Justice must reign supreme, and the guilty must be punished.

Which Commandments Should I Obey?

7

You should determine the appointed times by observing New Moons.

Ex 12:2 You are to begin your calendar with this month (moon); it will be the first month of the year for you. (Aviv). Isaiah 66:23 And it shall come to pass, that from one new moon to another, and from one Sabbath to another, shall all flesh come to worship before Me, said YHUH.

My beloved, when I took My children out of Egypt, I started a new calendar for them based on the new moons. Every cycle of the moon is a month. If you kept this calendar and not a calendar based on the sun, you would not have to make any adjustments such as leap year and some months being longer than others. I made the earth to be set on a moon calendar, but man wanted to worship the sun as his god. He based all things in his life on the sun. Your life should revolve around Me and not the sun. I control the sun, the rain, the clouds, and all forces of nature. I send storms and disaster to punish My people or peoples of disobedience. I control all things, so look to Me for wisdom and advice. I will guide you down the path you must follow. I still want you to follow My calendar, so you can keep up with My feast days. I want you to know the day of My celebrations, so you can celebrate with Me and rejoice with all My people. The leaders in Israel have taken My feast days and set them on the sun calendar, so the times of the feasts are off a few days. You can calculate My feast days yourself. Learn about the moons and how to celebrate based on the moons, because this is the way I set up your planet. Look to the sky for the times and season and watch for My return. The moons will help you know the time of My arrival, so watch for Me.
